

IMPORTER SHIPMENT PROFILE & COMPLIANCE INTAKE

For establishing importer profile and collecting shipment characteristics to support reasonable care and timely customs clearance.

Alejandro Martinez / AMG CUSOMS BROKER LLC

IMPORTANT DISCLAIMER (Reasonable Care / Importer Responsibilities)

- 1) This form is provided to help gather shipment and product information in advance. It is not legal advice and does not constitute a binding classification, valuation, country of origin, marking, admissibility, or duty determination.
- 2) Under U.S. law, the Importer of Record is responsible for exercising reasonable care and for ensuring customs entries are filed with accurate classification, value, and other required data. The importer is responsible for providing complete and accurate information and supporting documentation.
- 3) Alejandro Martinez may rely on information provided by the importer and its suppliers/manufacturers unless the broker identifies an inconsistency or a reason to request clarification. The importer remains responsible for the accuracy of all information.
- 4) If duties, taxes, fees, or other charges are billed through the broker, payment to the broker does not relieve the importer of liability to U.S. Customs and Border Protection in the event charges are not paid to CBP.
- 5) This form may be updated as products, suppliers, countries of origin, or regulatory requirements change.
